Interested in Getting Posture Certified?

You can get a head start on getting posture certified by attending 12 hours with Dr. Steven Weiniger at our Spring Conference. The seminar fulfills the live, hands-on 12 hour seminar that is required for a posture certification with BodyZone. The 12 hours alone will not certify you. You have other requirements that you have to complete that can be found by visiting: <http://posturepractice.com/practice/certification-requirements/> (the seminar that is offered at this conference is item #3 on this list).

BodyZone is offering a special for anyone who wants to sign up for the certification before the 2018 ISCA Spring Conference. It will be \$1749 and \$599 for the second DC within the same practice that registers.

If you have any other questions about getting certified at this event, you can call BodyZone directly at 770-922-0700.
